RE: Calleguas Creek Watershed Toxicity TMDL Special Study #1

Dear Mr. Unger and Ms. Nguyen,

Please find enclosed for your review and consideration the *Calleguas Creek Watershed Toxicity, Chlorpyrifos, and Diazinon TMDL Special Study #1 - Alternative Urban Pesticides Investigation*. This Study is being submitted to meet the requirements of the *Calleguas Creek Watershed Toxicity, Chlorpyrifos, and Diazinon TMDL Implementation Plan, Implementation Action 5*.

Please contact Tracy Krueger (Larry Walker Associates) at 310-394-1036, if you have any comments or questions regarding the Study.

Very truly yours,

A handwritten signature in black ink, appearing to read "Donald R. Kendall".

Donald R. Kendall
Chair, Calleguas Creek Watershed Management Plan Steering Committee
