

Thousand Oaks Reservoir Replacement Project

Update: January 23, 2012

Weeks of January 23 and 30

The contractor will be placing reinforcing steel and concrete for the walls and columns of the new reservoir over the next few weeks.

How to Get Updates or Provide Comments

Updates on construction activities will be available at www.calleguas.com or at the project hotline at (805) 579-7151. To speak to someone about the project, call the hotline and press "0." Any messages left on the hotline will be returned promptly, even after business hours.

Thank You for Your Patience

Calleguas and its contractor will take all feasible steps to minimize construction impacts on the public. Calleguas appreciates the patience and understanding of local residents during the construction of this vital water supply project.

This update is based on the best information available at the time of publication. Construction is dependent on many variables, including weather, and this information is therefore subject to change.
