

Emergency Response Coordinator – Calleguas Municipal Water District, Thousand Oaks, CA.

Calleguas Municipal Water District has one full-time opening for an Emergency Response Coordinator. High school diploma or general education degree (GED). Possession of a bachelor's degree in emergency management, public or business administration, engineering, or a related field; experience in emergency preparedness and response; and knowledge of water systems is preferred. Possession of a SEMS EOC Position credential, completion of FEMA Emergency Management Institute courses 100, 700, and 800 is desirable. The Emergency Response Coordinator establishes processes and procedures, provides training, writes plans, and works with other agencies to develop and implement emergency, security, and disaster management programs. Plans, designs, and executes emergency response drills and desktop exercises, and evaluates the efficacy of the drills and exercises; serves as District representative for and actively participates in the California Water/Wastewater Agency Response Network (CalWARN); and updates and maintains the District's various emergency response plans and all associated documents.

Emergency Response Coordinator annual salary range is \$76,205 - \$101,606. Excellent benefit package.
