RESOLUTION OF THE BOARD OF DIRECTORS
OF THE CALLEGUAS MUNICIPAL WATER DISTRICT

C. WHEREAS, Calleguas's Board of Directors, pursuant to Government Code section 54984 et seq. entitled "Uniform Standby Charge Procedures Act" (the "Act") may fix on or before August 10 in each year a Water Standby Charge whether the water or water services are actually used or not; and

D. WHEREAS, the amount of revenue to be raised by Water Standby Charges shall be determined by the Board; and

E. WHEREAS, the Act authorizes Calleguas to impose on land within Calleguas's district Water Standby Charges on an area, frontage, or parcel basis or a combination thereof; and

F. WHEREAS, the Act authorizes Calleguas to establish schedules varying the Water Standby Charge according to land use, benefits derived or to be derived from the use or availability of facilities to provide water or water services, or the degree of availability or quantity of the use of the water or water services to be affected; and

G. WHEREAS, the Water Standby Charges proposed by the General Manager of Calleguas ("General Manager") are based upon the report of a qualified engineer entitled "Calleguas Municipal Water District, Standby Charge, Engineer's Report, June 2022," on file with Calleguas and the historic administrative record related to the initial adoption and renewals of the Water Standby Charges; and

Notwithstanding the foregoing section, the following land shall be exempt from Water Standby Charges:

- A. Lands owned by the government of the United States, the State of California, or by any political subdivision thereof, or unit of local government;
- B. Lands permanently committed to open space and maintained in their natural state that are not now and will not be in the future supplied with water by Calleguas;
- C. Lands not included in either of the categories above which the General Manager finds do not now and cannot reasonably be expected to derive a benefit from the projects to which the proceeds of the Water Standby Charge will be applied.

SECTION 5. EXEMPTION PROCEDURES

The General Manager may develop and implement administrative guidelines which establish specific procedures for filing an "Application for Exemption" from the Water Standby Charge pursuant to subsections B and C of Section 4 above, provided that:

- A. An application for such exemption and documentation supporting such claim must be submitted to Calleguas in the prescribed manner. The General Manager is further directed to review any such Application for Exemption to determine whether the lands to which it pertains are eligible for such exemption, and to allow or disallow such application based upon the guidelines;
- B. An Application for Exemption shall be deemed timely as to a Water Standby Charge established for any year if it is filed within two (2) years after the date the Resolution fixing the charge is adopted;
- C. If the General Manager denies an Application for Exemption, the owner may file an appeal with the Board within sixty (60) days after such denial.
- D. The parcel granted such an exemption will become subject to enforceable restrictions which prohibit the use of water on the parcel, except as a result of groundwater pumping, rainfall or runoff, provided that, if considered appropriate by the General Manager, Calleguas's water may be used for limited domestic irrigation uses;

E. The owner executes a recordable agreement which includes provisions that:

1. Set forth the reasonable enforceable restrictions pertinent to the subject parcel;

2. The recordable agreement may be terminated upon written request by the owner and acceptance by Calleguas after payment of all deferred Water Standby Charges, plus interest thereon compounded annually and accruing at the same interest rate that Calleguas's operational funds draw (as distinguished from savings and investment accounts) from the date such charges would have been otherwise due and payable.

SECTION 7. APPEALS

A. The General Manager shall also establish reasonable procedures for the filing and timing of appeals from his/her determination;

B. If the General Manager denies an Application for Exemption, the owner may file an appeal with the Board within sixty (60) days after such denial.

C. The Board, or a hearing officer appointed by the Board, shall consider all appeals from the decisions by the General Manager within a reasonable time and its decisions in such matters shall be final, but subject to judicial review pursuant to Code of Civil Procedure section 1094.5.

SECTION 8. CHARGE APPLICABLE TO EACH PARCEL OF LAND

Except as otherwise provided in this Resolution, the Water Standby Charge shall be applicable to each parcel of land as established by and according to the records of the County Assessor of Ventura County and in accordance with the provisions of this Resolution.

SECTION 9. IMPLEMENTATION OF RESOLUTION

The Board of Supervisors of Ventura County is directed to levy on behalf of Calleguas Municipal Water District, in addition to any other tax, assessment, charge or levy, a Water Standby Charge in the amounts and on the respective parcels identified for it by the Board, which data the General Manager has caused to be delivered to the Ventura County Auditor, and that:

A. The Water Standby Charge shall be levied by all County of Ventura Officers charged with the duty of collecting, receiving, and dispersing property taxes;

B. The Water Standby Charge shall be collected in the same form and manner as the County property taxes and the proceeds shall be paid to Calleguas and subject to the same penalties, interest, and other remedial provisions;

C. Calleguas shall reimburse the County of Ventura for necessary costs and expenses of levying and collection of the Water Standby Charge for Calleguas;

D. The Water Standby Charge imposed by Calleguas shall be a lien against the parcel of land upon which said charge is imposed and shall be enforced by the same means as provided for the enforcement of liens of County property taxes.

SECTION 10. REFUND OF CHARGES

Calleguas reserves the right to make, upon receipt of a written request, a refund of the Water Standby Charge collected and paid to Calleguas by the Ventura County Tax Collector or other County official if the General Manager or the Board determines that a refund is reasonable and appropriate under all of the circumstances.

SECTION 11. DELINQUENT CHARGES

Water Standby Charges that have become delinquent, together with interest and penalties thereon, are a lien on the property when a certificate is filed in the Office of the County Recorder pursuant to Section 54984.9(b) of the Act, which lien has the force and effect and priority of a judgment lien.

SECTION 12. CEQA

The levying of the Water Standby Charge on a property within Calleguas is exempt from the California Environmental Quality Act pursuant to Public Resources Code Section 21080(b)(8), since the charges are necessary to fund projects to maintain existing service within the existing Calleguas service area.

SECTION 13. PROPOSITION 218

The Water Standby Charges imposed by this Resolution have been imposed in prior fiscal years and are in conformance with Proposition 218 by virtue of California Constitution, article XIII D, section 5, subdivision (a)..
